

Children's Ministry Restock Supply List

PRO TIP: Create a wish list online and share it like a registry with your church!

It only takes a minute to set up at amazon.com/registries (Target and Walmart have them, too)! Use your church name as the title of the list so it's easy for people to find. Then members of your church can donate, shop, and ship their purchases right to you!

Consider adding the following to your list:
