

Official Fan Club Cue Card

When the narrator says,

“The wind is beginning to blow,”

turn your fan on low.

When the narrator says,

“And now the wind is growing strong,”

turn your fan on medium.

When the narrator says,

“And now the wind is tearing into the boat,”

turn your fan on high.

When the narrator says,

“Waves are crashing over the sides of the boat!”

spray water into the breeze from the fan
(*not* into the fan!).

When the narrator says,

“He’s telling the storm to stop,”

turn off the fan.
